By applying, the nominee and nominator give the Good Business Colorado, Colorado Women's Day, and the IX Power Foundation organizations permission to publish and distribute the nominee's photo and nomination information. Quality headshots in jpeg format of all finalists are required by Jan. 26, 2022. Because the luncheon is a charity fundraiser, finalists who attend must purchase an event ticket themselves or have a patron do so. This award will be presented to a woman that exemplifies Good Business Colorado's mission of building a more prosperous, equitable and sustainable Colorado. Nominations for the award will be reviewed by a team comprised of Good Business Colorado members and qualified individuals from the community at large. Good Business Colorado is a nonprofit 501(c) 3 organization of values-driven business owners working to build a prosperous economy, equitable communities, and a sustainable environment. Members believe that business success cannot be measured by profit alone and that true success means that our planet, communities, and bottom lines are all thriving. Nominees do not have to be a member of Good Business Colorado, and may nominate themselves.
